OSKAR big — the economist!

Automatic shut-off, hygrostat, night mode and filter change reminder

Very quiet operation with two speed levels

Refillable during operation

With fragrance dispenser

Natural humidification through efficient V4™ filter technology, up to 700 g per hour

Oskar the economist now has a big brother! Thanks to its unique V4 filter technology, the powerful humidifier is the ideal choice for large rooms up to 100 m². With his 6-liter water tank, Oskar big is one of the largest in his class. The memo function reminds you to replace the filter and, thanks to the night mode, he works almost unnoticed. With his maximum power consumption of 32 watt, he is a great economist!
