We know fire. We know safety. We know you.

NOHA NORWAY AS was established in 1924, and began manufacturing hose reels and cabinets in Stavanger, in the early 1950's. We have since then, focused on developing solutions to cover all fire safety needs for the residential and commercial markets. We are therefore proud to be able to supply fire fighting equipment according to our customer's needs. And, we have the experience needed to come up with safe and smart solutions.
