LICENCE FOR WOOD PACKING MATERIAL MARKING

Referring to your application dated 6th of January 2004. It is hereby confirmed that your company is approved for wood packing material marking in accordance with the **Guidelines For Regulating Wood Packing Material In International Trade, ISPM 15**. The company is therefore licensed to use the mark with IPPC-logo as shown below:

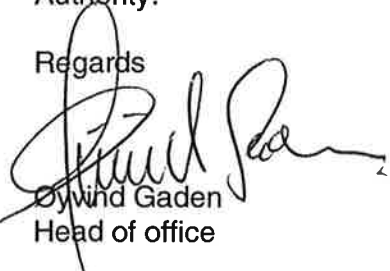

HT - Heat treated, DB - Debarked

The mark should be placed on a visible location, preferably on at least two opposite sides of the article being certificated.

The company is obligated to fulfil the requirements set by the mentioned standard, and to practise internal control. The internal control will be audited twice a year by the Norwegian Food Safety Authority.
