

This document serves as a formal declaration that the products listed below, offered by ITW Construction Products, meets the minimum requirements in BREEAM-NOR v6.0 in compliance with Mat 02.

It is hereby confirmed that the products comply with the current chemical regulations with given restrictions, threshold, and ingredients in accordance with following lists:

- The Norwegian priority list
- REACH Substances of very high concern (Candidate List)
- REACH Annex XIV (Authorization List)
- REACH Annex XVII (Restrictions List)
