## Light that's easy on your eyes

Poor quality light could cause eye strain. It's more important than ever to properly light your home. Philips LED lamps fulfil stringent test criteria to ensure that they meet our Eyecomfort requirements†

### Choose for the high-quality light

- Learn about light

### Choose a simple replacement for your old lamps

- Similar shape and size as a halogen lustre
- Instant light when switched on

### Choose for a sustainable solution

- Long-life bulbs – Last up to 15 years
- Better for your wallet and your planet

# PHILIPS

**Light beyond illumination**

- A simple LED for everyday use

**Comfortable LED light that is easy on your eyes**

- Designed for the comfort of your eyes
- No visible flicker

# Highlights

## Learn about light

Colour temperature: light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more tranquil light, while those with a higher Kelvin value produce a cool, more energising light. CRI: the colour rendering index (CRI) is used to describe the effect of a light source on colour appearance. Natural sunlight has a CRI of 100. The CRI of Philips LED lamps is always higher than 80, which ensures that colours are shown as true and natural.

## Replaces lustre halogens

With its beautifully shaped design and familiar dimensions, this is a modern lighting, LED lustre. The perfect sustainable replacement for traditional halogen lustres.

## Instant On

No need to wait: Philips LED light lamps provide their full level of brightness immediately when they are switched on. Just by turning on the switch, your room is at full brightness. There is no slow starting or waiting.

## 15,000-hour rated average life

With a lifetime of up to 15,000 hours, you can reduce the hassle of frequently replacing your light bulbs, and enjoy a perfect lighting solution for over 15 years.

## Saves up to 80% energy

LED technology saves up to 80% energy compared to your standard bulb. It therefore pays for itself and saves you money year after year. It also helps to protect the environment.

## A simple LED for everyday use

The Philips everyday LED is the perfect lamp for your basic lighting needs. It provides the beautiful light and dependable performance that you expect from LED at an affordable price.

## Gentle LEDs, easy on the eyes

It's easy to see how harsh lighting can strain the eyes. Too bright, and you get glare. Too soft and you experience flicker. Now you can gently light up your world with LEDs designed to go easy on the eyes, and create the perfect ambience for your home.

## No visible flicker

When your light flickers in quick succession it could be hard on the eyes, cause headaches and even set off an attack for those with photosensitive epilepsy. It's both unpleasant and unnecessary. LEDs can flicker because of their rapid response to the driver current. However, because Philips LEDs are designed so that variations in your driver current's output are minimised, they eliminate the factors that cause flicker. So, you won't see it, not even a hint.

# Specifications

## Bulb characteristics

- Shape: Lustre
- Dimmable: No
- Socket: E14

## Lamp dimensions

- Height: 88 mm
- Width: 45 mm

## Durability

- Average life (at 2.7 hrs/day): 15 a
- Lumen maintenance factor: 0.7
- Nominal lifetime: 15,000 h
- Number of switch cycles: 50,000

## Light characteristics

- Application: Soft light
- Colour rendering index (CRI): 80
- Colour temperature: 2700 K
- Light Colour Category: Warm White
- Nominal luminous flux: 470 lm
- Starting time: <0.5 s
- Warm-up time to 60% light: Instant full light

## Miscellaneous

- EyeComfort: Yes

## Other characteristics

- Lamp Classification Risk Group: RGO
- Lamp current: 50 mA
- Mercury content: 0 mg

## Packaging information

- Product family: EyeComfort

## Power consumption

- Power consumption per 1000h: 6 kW
- Power factor: 0.5
- Voltage: 220–240 V
- Wattage: 5.5 W
- Wattage equivalent: 40 W
- Energy Efficiency Label: A+

## Rated values

- Rated lifetime: 15,000 h
- Rated luminous flux: 470 lm
- Rated power: 5.5 W

## Packaging dimensions and weight

- EAN/UPC - Case: 8718696586655
- SAP Gross Weight EAN (Piece): 0.000 kg
- Net Weight (Piece): 0.036 kg
- SAP Length (Piece): 0.000
- SAP Width (Piece): 0.000
- SAP EAN/UPC - Set: 8718696586648
