

Requirements as per the latest updated version of BREEAM-NOR v6.0 which can be found on https://byggalliansen.no/.

Self-declaration that the named construction product meets the minimum pollutant requirements in BREEAM-NOR v6.0 in compliance with Mat 02

MANUFACTURER:

PRODUCT TRADE NAME:

PRODUCT ID: (In case of numerous, use Appendix 1)

This form must be filled out and signed by a legally responsible person for the construction product manufacturer. Providing incorrect information can have legal consequences.

It is hereby confirmed that the product(s) complies with the current chemical regulations with given restrictions, threshold and ingredients in accordance with following lists:

- REACH Article 59(10) The Candidate list
- REACH Appendix XVII Restrictions
- REACH Appendix XIV Authorisation
- The Norwegian Priority list

With every update of the lists the manufacturer must check if any of the substances is contained in the product. The product must be evaluated in order to establish control over its compliance with the restrictions, threshold and ingredients in accordance with the above-mentioned lists. In case the current requirements are not complied with, the self-declaration must be set as expired.
