

# Product Verification

## Sustainability

according to BREEAM International New Construction 2016

### Product Systems

#### WALLSTYL® Paperface

NMC S.A.

Paperfaced profiles in extruded polystyrene; fine and closed-cell, white, homogeneous foam.

### Product Assessment

#### Health and wellbeing

##### Criteria

##### Product Verification

Hea 02 Indoor air quality (GN22 V2.0 April 2016)	No
Hea 02 Indoor air quality - Exemplary Level (GN22 V2.0 April 2016)	No

#### Materials

## Criteria

## Product Verification

Mat 01 Life cycle impacts	EPD available: No
Mat 03 Responsible sourcing of construction products (GN18 V3.1 January 2018)	RSCS level 1

Legend: yes = Product contributes toward satisfying the credit, N/A = Product not relevant in the credit, no = Credit requirements are not proven

## ■ Summary

### The product contributes to the certification:

- The entire product complies with Hea 02 Indoor air quality: No
- The entire product complies with Hea 02 Indoor air quality - Exemplary Level: No
- The product has an Environmental Product Declaration (EPD), which can be used to calculate the building life cycle assessment (ENV1.1/2.1): EPD available: No
- Achieved RSCS summary score level in Mat 03 Responsible sourcing of construction products for the entire product: RSCS level 1

■ Ecolabels & Product-Assessments

ISO 14001

ISO 9001

■ Green Building Certification System

The BREEAM (British Research Establishment Environmental Assessment Method) certification system was published by the Building Research Establishment (BRE). It came on the market in 1990 and was one of the first certification systems for buildings. BREEAM offers different standards, which vary in the requirements, depending on the country, type of use and development phase of the project (new construction, in-use, refurbishment and fit-out, infrastructure and communities). Within ten environmental categories and numerous individual credits, buildings are rated and can be rated as Acceptable (for in-use scheme only), Pass, Good, Very Good, Excellent and Outstanding. Up to now, more than 16,300 BREEAM projects have been certified worldwide (as of April 2018).

# Detailed Verification

according to BREEAM International New Construction 2016

## Health and wellbeing

### Hea 02 Indoor air quality (GN22 V2.0 April 2016)

The entire product complies with Hea 02 Indoor air quality:

WALLSTYL® Paperface	No
---------------------	----

The product complies with Hea 02 Indoor air quality:

WALLSTYL® Paperface	No
---------------------	----

Ceiling, wall, and acoustic and thermal insulation materials

The entire product complies with Hea 02 Indoor air quality for ceiling, wall and acoustic and thermal insulation materials:

WALLSTYL® Paperface	No
---------------------	----

The product complies with Hea 02 Indoor air quality for ceiling, wall and acoustic and thermal insulation materials:

WALLSTYL® Paperface	No
---------------------	----

The product is a ceiling, wall, acoustic or thermal insulation material:

WALLSTYL® Paperface	Yes
---------------------	-----

The application of the product is inside a building:

WALLSTYL® Paperface	Yes
---------------------	-----

### Hea 02 Indoor air quality - Exemplary Level (GN22 V2.0 April 2016)

The entire product complies with Hea 02 Indoor air quality - Exemplary Level:

WALLSTYL® Paperface	No
---------------------	----

The product complies with Hea 02 Indoor air quality - Exemplary Level:

WALLSTYL® Paperface	No
---------------------	----

Ceiling, wall, and acoustic and thermal insulation materials - Exemplary Level

The entire product complies with Hea 02 Indoor air quality - Exemplary Level for ceiling, wall and acoustic and thermal insulation materials:

WALLSTYL® Paperface	No
---------------------	----

The product complies with Hea 02 Indoor air quality - Exemplary Level for ceiling, wall and acoustic and thermal insulation materials:

WALLSTYL® Paperface	No
---------------------	----

The product is a ceiling, wall, acoustic or thermal insulation material:

WALLSTYL® Paperface	Yes
---------------------	-----

The application of the product is inside a building:

WALLSTYL® Paperface	Yes
---------------------	-----

■ **Materials**

■ **Mat 01 Life cycle impacts**

The product has an Environmental Product Declaration (EPD), which can be used to calculate the building life cycle assessment (ENV1.1/2.1):

WALLSTYL® Paperface	EPD available: No
---------------------	-------------------

An environmental product declaration exists for the product:

WALLSTYL® Paperface	No
---------------------	----

■ **Mat 03 Responsible sourcing of construction products (GN18 V3.1 January 2018)**

Achieved RSCS summary score level in Mat 03 Responsible sourcing of construction products for the entire product:

WALLSTYL® Paperface	RSCS level 1
---------------------	--------------

Achieved RSCS score level in Mat 03 Responsible sourcing of construction products for the product:

WALLSTYL® Paperface	1
---------------------	---

Other

Achieved RSCS score level in Mat 03 Responsible sourcing of construction products for the entire product - Other:

WALLSTYL® Paperface	1
---------------------	---

Achieved RSCS score level in Mat 03 Responsible sourcing of construction products for the product - Other:

WALLSTYL® Paperface	1
---------------------	---

The product does not fall under any of the above listed product groups:

WALLSTYL® Paperface	Yes
---------------------	-----

Environmental Management Systems (EMS) certified for Key Process and supply chain extraction process:

WALLSTYL® Paperface	No
---------------------	----

Environmental Management Systems (EMS) certified for Key Process::

WALLSTYL® Paperface	Yes
---------------------	-----

Certified with BES 6001 Framework Standard for Responsible Sourcing:

WALLSTYL® Paperface	No
---------------------	----

## ■ Disclaimer

This verification is the evaluation and ranking of products in terms of the certification system DGNB 2015 (New construction of office buildings). The DGNB (Deutsche Gesellschaft für Nachhaltiges Bauen) generally does not certify products. Therefore the project team or the manufacturer is responsible to declare compliance with respect to the DGNB criteria. Notice: This verification is generated by the Assessment Service of BMS. The distribution or publication by third parties is not permitted. The data sheet is not a DGNB certification document. The information is based on the manufacturer's specifications. Despite a diligent treatment of all information BMS can not make any warranties about the completeness, reliability and accuracy of this information. The requirements of DGNB can be interpreted differently and depend on the project and scope of application. Therefore, BMS cannot accept any liability for the evaluation in terms of the DGNB criteria. The user of the data sheet, the user / purchaser of the product and the consultant / planner, who is advising on this product has the duty to check the product for the intended application at their own responsibility. When a new version of this product verification is produced, the previous version loses its validity.
