

- separable and to 100% useable

- elastic and non-slipable

- can be re-openend and reused

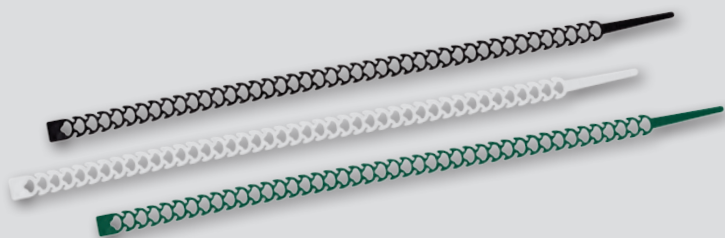

- versatile to combine

fischer Kable-Fix R

The flexible and multi-functional universal binder with intelligent closure

Kable-Fix R

Quite simply unique!

The remarkable shape of the Kable-Fix R alone is an indication that it is something special. It combines special characteristics that make it an absolutely unique innovation:

- Can be divided and used up to 100% (1=4)
- Flexible and non-slip
- Can be loosened and reused
- Diameter can be set variably between 5 and 85 mm
- Versatile combinations
- Temperature compatibility from -20 °C to +60 °C
- No injury risk
- Dimension 9 x 320 mm
