charging time

A lightweight but yet robust and fully waterproof headlamp with extensive burn time. The perfect companion for mountain rescuers, forestry workers or similar outdoor workers with demanding work challenges. The rechargeable battery offers extra durability for when you demand more.

## FEATURES

- SILVA Intelligent Light, combining long reach spot light and close flood light
- Light output and light distance: 350 True Lumen and 75 metres
- Lightweight, comfortable fit - thanks to low weight and wide anti-slip headband
- Night vision and map reading modes; a red light mode that preserves your night vision and an orange mode that is optimal for reading maps and instructions
- Flexible attachment options with the headband and a helmet attachment/belt clip
- Rechargeable battery (700 mAh) that gives a battery burn time up to 40 hours
- Battery level indicator, informs about the remaining charge level when turned off
- Large on/off button, easy to operate also when wearing gloves
- Fully waterproof: Headlamp meets IPX7 standard

## UPDATES

- Successor to our Pro line-series but with updated design and name
- Now 350 True Lumen
- Super-low mode (15 Lumen)

## INCLUDED

  
USB cable
