Montage/Bedienungsanleitung

Installation/User manual

Installasjons/bruksanvisning

## • Richtlinien zur Installation • Installasjonsveiledning

- Wasserleitungsdrücke von Warmwasser und Kaltwasser müssen gleich sein.
- Installation und Lagerung nur in frostsicheren Räumen.

• Ab Datum des Erwerbes (Kaufbeleg) gewähren wir eine Garantie von 2 Jahren.

- The water pressure for both the hot and cold water pipes should be equal.
- Install and store in frost-proof rooms only.

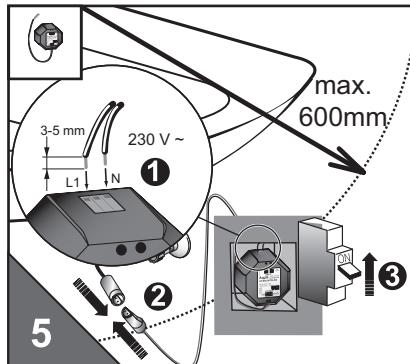

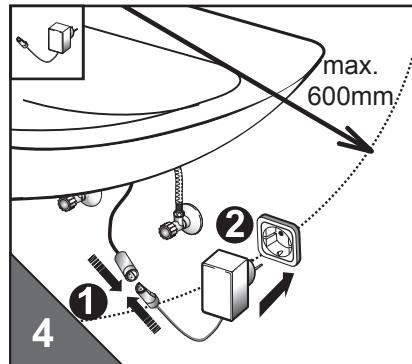

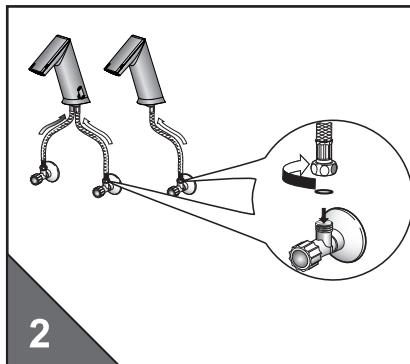

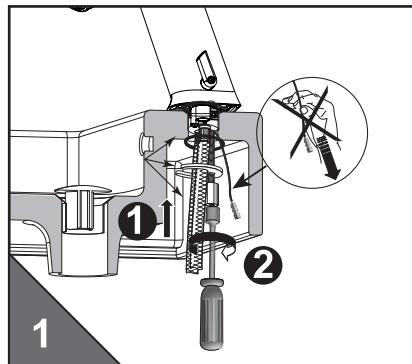

• We will guarantee the products for 2 years from the date of acquisition.

## • Installation guidelines

- Trykket på kaldt og varmt vann skal være likt.
- Installasjon og lagring kun i frostsikre rom.

- 2 års garanti på produktene fra kjøpsdato.

## Kompetanse gjennom teknikk og design

Iqua sin filosofi er å skape miljøvennlige, vannsparende produkter som gir brukeren enkel og hygienisk bruk. Lang erfaring med vannsparing og vannbehandling skaper de beste løsningene.

Moderne design, driftssikkerhet, enkel bruk, installasjon og vedlikehold er viktig for oss. Ikke minst er Iqua kjent for kvalitet og innovative gjennomprøvde løsninger for vann og energisparing. Iqua er derfor en ledende produsent av elektroniske sanitærprodukter.
