

PLASTIC CLEAN

Technical Data Sheet

Creation Date 13/07/2018

Version I

CRC Plastic Clean is an effective all-round cleaner for all plastic and rubber parts.

Where to use?

The Plastic Clean can be used on the inside and outside of the car and around the house.

How does it work?

When applying this product it will remove residues from wax and dissolve oil and grease from the treated elements.

What to expect?

This all-round effective cleaner removes oil, grease and residues from all plastics and makes your car look like new again.

Be prepared

- Before use, carefully read and observe the warning texts on the label
- Dispose empty bottles according to your local legislation.
- Protect from frost

Help for a good application

- Wash away all loose dirt with water.
- Apply CRC Plastic Clean evenly on the surfaces to be treated.
- Gently rub the surface with a microfibre cloth.
