Validity of Certificates

Certificates/Type approvals are issued for the basic variants with chrome plated surface.

Sales item numbers with a numeric suffix for colors or deviating flow rates are fully covered by the basic variant.

Suffixes for color:
-33 – Matt black
-80 – Brushed steel
-81 – Brushed bronze

Suffixes for deviating flow rates:
-102 – 1,7 l/min
-104 – 3,4 l/min
-105 – 4,2 l/min
-106 – 6,0 l/min
-109 – 9,0 l/min

Example:
Certified sales item 1510F

Certificate valid for: 1510F
1510F-33
1510F-105
1510F-105-33
