

PRODUCT SPECIFICATION

REF 51011013 FIRST AID BURN KIT

1 GENERAL PRODUCT DESCRIPTION

Description

A First Aid Burn kit containing first aid products to be used in emergency burn situations (burns, bleeding). The strong and durable case has a plastic handle which will not slip out of the hand. All products are easily available and protected against dust, dirt and moisture inside the well-organised bag. There is also space for additional supplies. The bright green, yellow and orange coloured kit is clearly visible at a distance. A printed flame at the front clearly shows that the kit is intended for burns.

The Medical device products inside are CE-labelled.

Storage information

Dry storage in room temperature. For maximum protection, keep the products in their original packages until use.

2 DETAILED PRODUCT INFORMATION
