This certificate of conformity is based on an evaluation of samples of the above products.  
The submitted products have been tested by us with the following standard(s) and found to be in  
compliance with the listed European Directives.

EN 1869:1997;  
EN 1094-3:2003

The tests were performed in normal operation mode. Test results apply only to the particular  
sample tested and to the specific tests carried out. Technical Report and documentation are at  
the Holder's disposal.

This certificate applies specifically to the sample investigated in our test reference number only.  
The CE markings as shown below can be affixed on the product after preparation of necessary  
technical documentation. Other relevant Directives have to be observed.
